Exfoliating Soap

For soft, smooth and silky skin every day.

Purifies, softens and tones skin.

Gently cleanses the skin and eliminates dead cells.

Prepares for optimum penetration of other slenderizing products in this range.

Exfoliating soap is enriched with beads to exfoliate the skin smoothly. It has a pleasant, relaxing perfume and contains moisturizing glycerine.

Instructions for use:

Massage into your skin in the shower or bath several times a week.

Hypoallergenic 100% plant based
